

## Project H.O.P.E.

Project H.O.P.E. is a non-profit ministry organization who's mission is to Give HOPE locally and around the world by presenting the gospel of Jesus through relational ministry.

Project H.O.P.E. exists to help serve and meet the needs of people in Nicaragua, Haiti and locally, through our International Fellowship ministry, by sharing the HOPE of the gospel with those we serve.

Each year over 1,000 people travel to Nicaragua and Haiti to help carry out the work of the Lord and the mission of Project H.O.P.E., while many others locally share God's love with the International students on our local college campuses. God has truly blessed Project H.O.P.E. over the past 20 years and has changed the lives of so many through the work of this ministry.

It is only through the help and support of people like you that Project H.O.P.E. is able to continue the ministry of sharing the HOPE of Jesus to so many around the world. We appreciate your help in supporting Project H.O.P.E. by participating in our golf fundraiser. Thank You!!!
